

Tim

Is your boss going to be here?

Barry

Yeah my boss never sleeps. Be careful around this guy. He can tell what you are thinking.

Tim

What do you mean?

Barry

Don't look him in the eye, don't think any embarrassing thoughts. Just keep your mind blank.

Therman, I'd like you to meet a friend of mine...Tim Conrad.

Tim

Umm... Hi. I could use some help, and Barry says you are just the man for the job.

Therman

Have a seat. I did an audit on a Stephen Conrad, two years ago. Any relation?

Tim

Ahh... where does he live?

Therman

Bayside State Prison. He's doing seven years now...

Tim

Oh.

Therman

Are you hiding something Mr. Conrad? What is it you do for a living?

Barry

Don't ask, he makes money. Nobody knows where is comes from though.

Tim

Well, not

Therman

Should we take a look at his return Barry?

Barry

Ummm-hmmmm.

Tim

Woah guys, I think we are getting a little off track here. Look, I'm in a little bit of a rush.

Barry

That's him.

Tim

Barry, guys, I don't have much time... so...

Therman

Mr. Conrad...Men lie to me a thousand times a day. My job... is to find the truth. Right Barry? I've studied the human mind. I've learned how to read it and ultimately control it.

Tim

This is fascinating. I can't wait to read it.

Therman

It's \$14.99 on my website.

Tim

Ok.

Therman

Plus shipping and handling.

Tim

Even if I buy it here?

Therman

It shipped from somewhere else, didn't it? And I've been handling it.

Tim (to Barry)

Could you just tell Therman why we are here?

Barry

We are looking for an address for a non deductible vacation property.

Therman

You're looking for someone or something?

Barry

That's exactly right. Tim is looking for his girlfriend , she ran off with some artist. They are probably sleeping together.

Therman
Your girlfriend has left you?

Barry
Tim, he can see right through you!

Tim
Well, you also just told him that.

Therman
You are still skeptical Mr. Conrad? Watch this.... Barry....

Barry
Oh God, what is he doing? He's making me do something? What is he making me do?

Tim
You're not doing anything Barry.

Therman
That's right Barry. You're not doing anything.

Barry
I'm not doing anything. I'm paralyzed. Oh, God.

Therman
God can't hear you Barry.

Barry
Tim...?

Therman
Tim can't hear you Barry.

Tim
No, actually I can hear him.

Barry
Oh, my body is a prison. Oh, this is so painful. Tim, I can't move Tim....Tim help...I can't move!

Tim
Alright Barry, you know, just move. You can do it, just move!

Therman
I release you...

Barry

Wow, I will never take movement for granted again.

Tim

I was so wrong, his brain is your puppet. I need an address. Will you help me please?

Therman

Perhaps... for a price?

Tim

How much?

Therman

I just need to hear Barry say..."You can eat my pudding".

Barry

No.

Therman

Barry, I can make you say it! But with your own free will say "You can eat my pudding".

Barry

I'm not gonna say it.

Therman

Barry, I'm gonna eat it anyway, but I want you to say "You can eat my pudding"!

Tim

Barry, I'll give you \$1000 dollars if you say it.

Therman

A thousand dollars? Barry, your friend is a high roller, are you hiding something? Ahh you almost had me, but you cannot declare off shore investment losses against future capital gains. Any child knows that...(laughs)

Tim

I'll have to ask my accountant.

Therman

Mr. Conrad... you my friend are being audited. Call the 800 number! I release you!
