

## THEY WANT DICK DIXX

EXT. WOODS - NIGHT

WIDE - a stand of woods beside a road. WIND in the trees. FULL MOON. FOG cascades in and cloaks the woods in dread.

ANGLE ON - A PARKED CAR in the trees.

CUT TO:

INT. CAR - NIGHT

TWO TEENS steam the windows. LISA, eighteen; a cheerleader in uniform, breaks free of the wrestling and sits up after she hears a LOUD NOISE outside.

LISA

What's that?! Hear that, Todd?

Lisa lowers the radio as her handsome jock boyfriend, TODD, eighteen; in a letter-man's jacket and blue jeans; sits up:

TODD

A psycho with a hook for a hand?

LISA

Not funny!

TODD

It was nothing. Just the wind.

LISA

No. There's something out there!  
Let's get out of here! It's creepy!

Todd tries to resume making out. Lisa blocks him.

TODD

Come on, baby!

LISA

I want to go home. Now!

TODD

Don't be such a baby, baby.

LISA  
That sound like nothing?

Todd pulls a CROWBAR out from underneath the seat.

TODD  
WHAT THE!... Heads are gonna roll!

Todd opens the door, leaps out. Lisa locks the door.

CUT TO:

EXT. WOODS - NIGHT

TODD nervously scans the area: nothing but wind and shadows.

TODD  
Hey, you! Come here!

Todd sticks close to the car as he moves to the trunk and spots the damage: DEEP INDENTIONS in the trunk lid.

ANGLE ON - A MAN, SERVANT, a man in a black hooded robe who appears out of the fog, leaps onto the hood, runs up the windshield and stops on the roof to stare at Todd.

TODD (CONT'D)  
GET OFF MY CAR, PUNK!

SERVANT  
I serve the leader. I am here to reap and collect.

TODD  
I'm gonna serve you the crowbar.

SERVANT  
No. Thine reaping is upon thee.

Todd advances and as he winds up to swing the crowbar:

SERVANT - REVEALS A HOOK-HAND; wicked, sharp. Servant LEAPS and HOOKS TODD'S NECK. Carotid artery. Todd stops in his tracks as BLOOD shoots from the wound like a hydrant on wide open.

SERVANT (CONT'D)  
You sprung a leak.

TODD - as he futilely tries to stop the blood.

TODD  
But I'm the quarterback.

SERVANT  
Omaha! Hut-one, hut-two, DEAD!

TODD  
Why?

SERVANT  
Leader requires a virgin. Her.

CLOSE ON TODD - gurgles, sinks to his knees, dies.

TO:

INT. CAR - NIGHT

Lisa scrambles into the driver's seat, reaches for the ignition, but Todd has the keys. She turns on HEADLIGHTS.

LISA  
Todd?

SERVANT unlocks the door with THE REMOTE, opens it and drags LISA out.

CLOSE ON LISA - as Servant drops her to the ground; she thuds hard and bounces. He grabs her. LISA SCREAMS.

LISA  
NO! HELP! TODD!

SERVANT  
Todd is out of the game, Lisa.  
He got the hook.

SERVANT - holds up his hook; a piece of Todd hangs. Lisa SCREAMS. As Servant drags Lisa away into the dark woods:
